WHY TULUM BEACH RESORT DAKHLA ?

Tulum Beach Resort extends over a protected site of around 5 hectares bordered by a private beach of fine sand. The various buildings are naturally dispatched to allow an amazing view on the Ocean and its symphony of colors. The site is designed according to an ecological approach emphasizing solar energy, LED lighting and recycled water used in the gardens thanks to the water treatment plant.

Accommodations are separated by gardens to respect your privacy. Two outdoor swimming pools and other relaxation spaces let you enjoy the sun rays all year long. Peaceful serenity emerges from the whole environment and invites a liberating freedom.

The Tulum Beach Resort & Spa is ideally located, close to all commodities. It is at a 10 mn drive from the Dakhla airport and also at a 10 mn drive from downtown.

A QUALITY CATERING SERVICE

Whether it is international cuisine or Asian fusion cuisine, the Tulum Beach Resort & Spa 3 restaurants offer an outstanding catering service meeting your expectations, a necessary advantage for the success of your event.

AZUR RESTAURANT

This open and luminous space offers fine international and Moroccan gastronomy, based on local produce that come mainly from small local fruits and vegetables farms, fresh fish and aromatic herb from our gardens.

Every morning, a succulent breakfast-buffet awaits our guests and other visitors who will eat in a splendid holiday atmosphere with a great view on the sea and the swimming pool, indoors or at the terrace.

LINA'S RESTAURANT

Chic and trendy, Lina's Lounge harnesses the flavors of fusion cuisine from Peru in new chords, subtly exotic, influenced by Japan and South Eastern Asia. From several varieties of lobster, to octopus and oysters, our raw seafood bar offers you our products from the sea freshly delivered by the fishermen on the premises. A vegan menu completes the catering offer. Lina's Lounge offers a variety of exceptional wines from around the world as well as a cigar cellar and a VIP Lounge.

In the evening, the lounge cozy atmosphere is an invitation to extend the evening.

RESTAURANT CABANA

The key to partying holidays and moments of absolute coolness, the beach bar-restaurant is open all day and in the evening. Under the large straw hut, everybody will find their bliss: Tapas, pizza by our master pizzaiolo, gourmet burgers, light meals... During the evening, the CHIRINGUITO CABANA takes you to a partying atmosphere guaranteed by our resident DJ. It is a moment to enjoy a delectable dinner as well as the many surprises we have for you: theme-parties, live bands, oriental dancers, karaoke ...

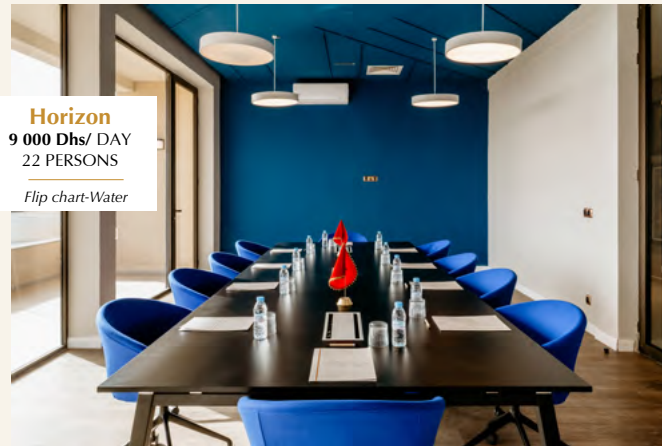

MEETINGS & EVENTS

Tulum Beach Resort Dakhla is full of first-class advantages and is an ideal location for business and chill out. The BUSINESS CENTER extending over an area of 400 m2 can host all types of events (meetings, colloquia, workshops, theme parties...)
