

## A wide-angle photograph of a scuba diver swimming horizontally over a vibrant coral reef. The diver is wearing a black wetsuit, a white oxygen tank, and yellow fins. Bubbles are visible rising from the diver's breathing apparatus. The reef below is covered in various types of coral and marine life. The water is a clear, deep blue. In the top left corner, there is a decorative graphic element consisting of two overlapping, semi-transparent, light blue curved shapes.

A person is riding a bicycle on a dirt path in a desert landscape. The sun is low in the sky, creating a warm, golden glow. The text "Bicycle ride" is overlaid on the image in a blue, sans-serif font.

## A person wearing a red shirt and a headlamp is riding a mountain bike on a dirt trail. The sun is low in the sky, creating a strong lens flare and casting long shadows. The landscape is arid with rocky hills in the background. In the top left corner, there are two blue diagonal lines.

Whether you are a cycling enthusiast or simply looking for a unique way to discover our destination, our mountain bike rental service is here to meet your needs. You can enjoy the freedom to cycle at your own pace and explore the surroundings in an eco-friendly way.

 Camel Ride

## A group of people riding camels across a desert dune at sunset. The scene is silhouetted against a warm, orange and yellow sky. The camels are in a line, moving from left to right. The riders are wearing various clothing, including hats and jackets. The dunes are rolling and sandy. The overall mood is peaceful and adventurous.

Explore the desert on camelback. Between golden dunes and fiery skies, experience a unique adventure. An unforgettable getaway in the heart of the desert.

# OUR 4X4 TRIPS

## The White Dune

On the road to Mauritania, 30 km away from Dakhla, discover the white dune, an impressive phenomenon standing up in the middle of the lagoon. It is a crescent-shapeddune of white sand. At high tide, it turns into an island. To date, this phenomenon remains a total mystery. This natural site is also a favorite site for flamingos.

## Asmaa hot water springs

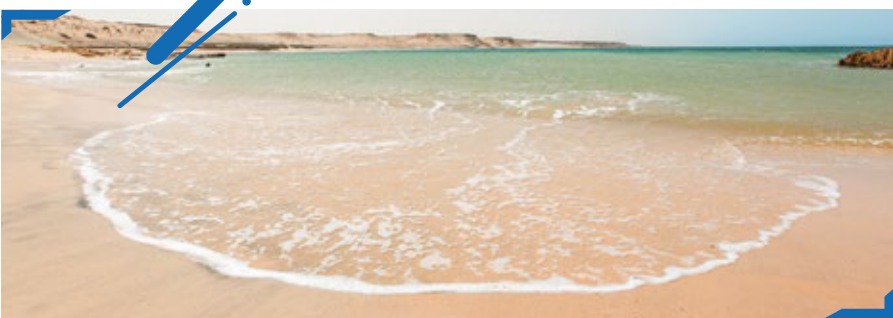

As you get back from the white sand, do not miss the Asmaa hot water springq for a natural sulphur warm water massage. Water springs from a pipe at 38° C and it is known for treating skin problems and respiratory diseases mainly. The unpleasant smell left by the sulphur water disappears with a nice shower ! Ladies, opt for a one-piece or two-piece swimsuit that fits well.

## Natural fish pedicure at Imlili

Go on exploring the Dakhla region with a trip to the Imlili desert. At the heart of this desert area, in the cracked ground, green reeds timidly show up, as the first signs of greenery. As you continue, you will come across natural swimming pools emerging from nowhere, at the heart of the desert. Nothing explains their presence, but one thing is certain, they are here and they are just one of the many surprises. As you look closer, these pools are filled with small fish ! how do they survive in this apparently hostile site? Total mystery!

## The Porto Rico Beach

If for you, holidays mean farniente under the sun rays, during your stay in Dakhla, don't miss Porto Rico. This quiet small village, located at some sixty kilometers from Dakhla, hosts an enchanting beach. This beach, named « the King's private beach », has been for long closed to the public. Today, this treasure is open to vacationers who can bask on the fine sand and bathe in the pristine water. The long immaculate beach seems endless with a cliff standing in the middle.It is indeed a pleasurable sightseeing itinerary .
